BronxWorks Community Health Programs Food Resource Guide

In an effort to provide the community with vital services and resources during this time, the BronxWorks Community Health Programs is sharing the numerous food resources available to help those in need. Various restaurants and schools in the Bronx are assisting the community by allowing children and families to visit their facilities during different times to receive a meal. The following restaurants and food distributions will be assisting their communities as circumstances allow.

**Bodega and Small Business Association of New York**

The Bodega and Small Business Association of New York has been working quickly to get its app up & running in the wake of the coronavirus crisis. Participating Healthy Bodega stores are able to deliver healthy food and drinks via a new app. The app allows customers to order from their local bodega from their phone.

To learn more about the app here is a video. [https://bit.ly/2UlvC6M](https://bit.ly/2UlvC6M)

Here is the website, though the best way to use it so far seems to be to download the app: [https://mybodega.online/en/](https://mybodega.online/en/)
